

## ALERT LEVEL 3

Thursday 23 April

Kia Ora Parents and Caregivers

**The key message is, if you can, you should keep your children at home and carry on with their online learning.**

School is only open to essential workers and Level 3 returning workers, who cannot make or find other arrangements for their children, including trying to extend your bubble to another trusted adult.

For our planning and preparation we need to create an Alert Level 3 School roll; we still need to hear from all families whether or not children are staying at home or coming to school.

**Please make contact with your child's teacher by tomorrow morning Friday, 24 April.**

This is very important, because it will determine how many teachers we need at school. Our teachers will be breaking their bubbles to come back into the classrooms. The Ministry of Education has set limits for the number of children allowed back to school.

If your children are returning to school next Wednesday you **must** attend a zoom meeting at 11:30am Friday, 24 April. During this meeting we will make clear the rules and regulations we will be operating under at level 3.

**Internet safety:** please check out [www.switchonsafety.co.nz](http://www.switchonsafety.co.nz). is available to support online learning on devices used to undertake schoolwork.

Thank you

Kia Kaha
