Term 4

Week: 4 5 November - 9th November 2018

Dear Parents and Whanau,

Myles, Connor and Chance had an opportunity to go swimming with the dolphins on the Rotorua camp at the beginning of term. Rotorua District Council has created a surge of tourists to the area after importing dolphins from Kaikoura earlier in the year. Although environmentalists are not happy with dolphins being in captivity, the dolphins seem happy in a large lake.

SCHOOL CLOSURE

Talks between NZEI teachers and the Ministry of Education begin today in mediation to try to resolve the employment dispute. Hopefully a resolution will occur which will avoid strike action.

Otherwise the school will be closed next week on **Tuesday 13th November.**

We will let you all know if there are any changes.

SCHOOL PHOTOS

These will be happening on Wednesday 21st November. All students will need to come to school in their school uniform.

Ordering envelopes will go home shortly.
Nga mihi nui,

Alan
